## who we are

IREZ ACADEMY is an organization providing world class training and certification in different aspects of educational field such as Health care, Technical, Management, Safety, and interior designing. IREZ offer unique opportunity to face challenges through enriched learning, academic excellence, professional training and corporate exposure. We deliver courses and examinations to all major industry sectors such as Oil and Gas, Construction, Power and automotive. In IREZ engineering wing world class trainers deliver internationally recognized qualifications in demand by industry worldwide. Every engineering branch has its own significance. Every branch offers good employment opportunity in their respective field. Engineering is a design oriented subject. Design involves problem solving. If you become a good problem solver, every branch of engineering offers good job opportunities. Therefore, we help you to make your own signature in this field.

## Vision

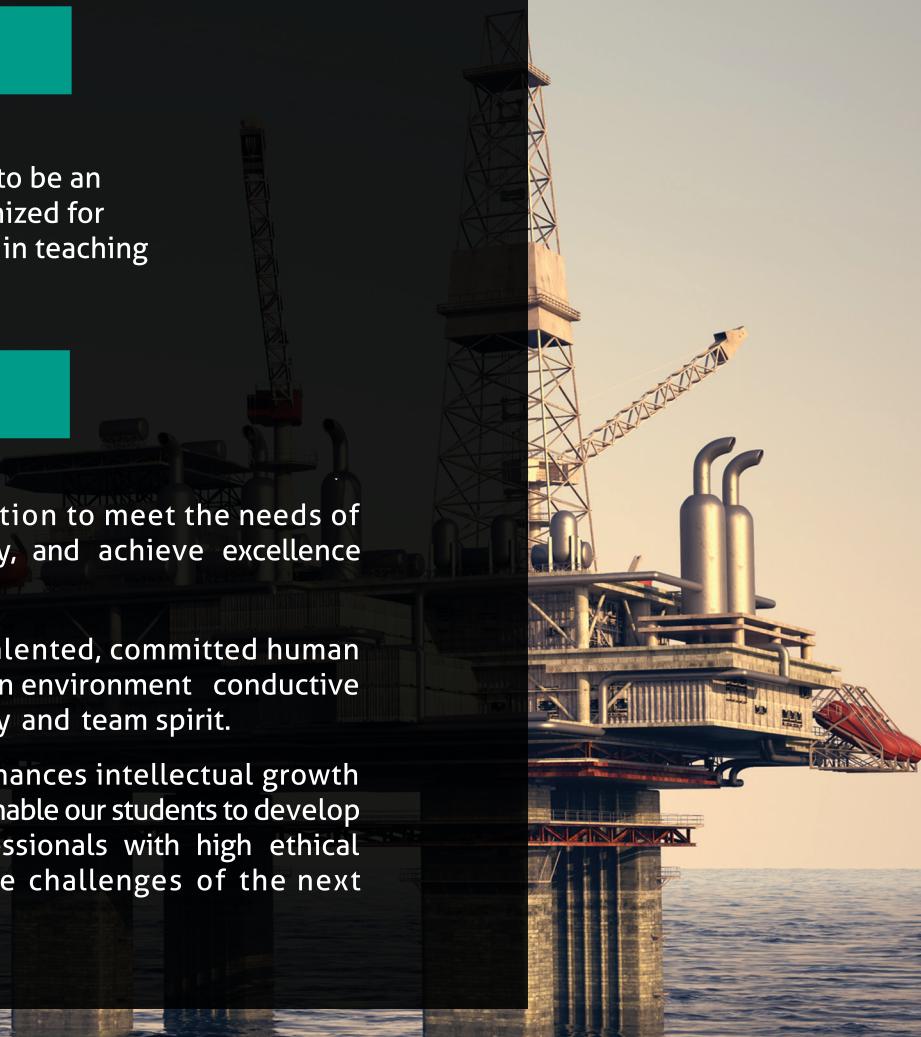

IREZ ACADEMY aspires to be an academic leader recognized for innovation and quality in teaching and learning.

## Mission

Impart quality education to meet the needs of profession and society, and achieve excellence in learning.

Attract and develop talented, committed human resource and provide an environment conductive to innovation creativity and team spirit.

To educate leaders, enhances intellectual growth and enriches lives. To enable our students to develop into outstanding professionals with high ethical standards to face the challenges of the next millennium.

## WHY IREZ

In today's competitive world, a bachelor's degree does not go far in bringing you to your dream job. Job oriented courses such as those offered by iREZ pave the way to a prestigious and lucrative career with the minimum of stress or effort. From my viewpoint, assisted by my long tenure in teaching, industry and research, these courses mold the student to an unequivocally able and confident professional. The hands on experience provided arms the student to tackle the real world problems with panache and elan. Internationally acclaimed certification also enables you to walk tall and be in demand anytime anywhere globally.
